

Passepartout terra

ACCNPPT.01175

A floor lamp with indirect light for interiors, with a sensory dimmer for managing switching on and off and controlling light intensity by simply moving a hand or holding it still in the vicinity. Passepartout terra is available with a matt gold finish and a matt-coloured structure, a polished chrome finish with a diamond-finished structure, or a matt black or white finish with a diamond-finished structure and an upright in a matching colour. The luminaire's high colour rendering index (CRI) guarantees respect for colour perception.
